12° Capitolo generale • Figlie di San Paolo

Ariccia, 7 settembre - 7 ottobre 2025

Ariccia, September 23, 2025

Our day today started off with a literal thunderclap! As we all awakened to a thunderstorm that has refreshed atmosphere, we celebrated a beautiful liturgy animated by the sisters of the United States and Canada. Don Tarcisio Cesarato, ssp, celebrated the Mass, which was offered for our sisters in Great Britain.

Enthused and energized for the day, we continued our intense work, both in groups and in the assembly, animated by Sr. Tiziana Merletti. The atmosphere is favourable for the work we are undertaking and we are hopeful that it accompanies us all through this week! But what has surely carried us along all this way are your thoughts and prayers, not forgetting our elderly and sick sisters who are continually offering their prayers and sacrifices for the Chapter! We are grateful!

As the week continues, we pray that the Holy Spirit comes upon us like the rain outside, that our work be filled with his consoling presence!
