Buona domenica! Last night we celebrated the completion of the first draft of our chapter document with “gelato” and a movie! A small moment of delight after a week of deep reflection and shared journeying.

This morning, we gathered for our final session with our wonderful facilitator, Sr. Tiziana Merletti. Our hearts are full of gratitude for her. She has journeyed with us not only as a guide but as a true companion on the journey, a friend, a sister who has walked alongside us. Her presence has made this week not just fruitful, but a powerful experience of *synodality in action*. Thank you Sr. Tiziana!

We have learned a lot about listening to the Holy Spirit among us and this is something that we carry with us after the Chapter ends.

Our morning session ended with a solemn and lively celebration of the holy Mass, offered for the intentions of our Sisters from the Delegation of Pakistan and animated by the sisters from the Province of EAMZZ and the Delegation of Great Britain. During the Offertory, our personal intentions were gathered in the bread and symbolically brought to the altar by Sr. Tiziana, our facilitator, and Sr. Anna Caiazza.

And the journey continues! This afternoon, we shall engage in conversation with Dr. Paolo Ruffini, Prefect for the Dicastery for Communication, and we look forward to learning from him and receiving his insights as we prepare for the work of the coming week.

May you all enjoy a blessed Sunday!
